

RENAE HARRINGTON

BIOGRAPHY

AVP / CROP INSURANCE SPECIALIST • Serving All Locations

"I will assist you in providing an innovative and customized crop insurance risk management solution that meets your operation's unique needs, giving you peace of mind for your piece of earth."

LSB Financial operates a *full service, independent insurance agency* serving the insurance needs of thousands of policy holders. As an independent agency, LSB Financial works with multiple crop insurance companies to deliver the best possible coverage to our customers. It also means that we offer expert, personalized products and services. We will be there every step of the way.

Renae's customers have come to expect honesty, integrity, and solid risk management advice. In her role as a crop insurance specialist, Renae puts her knowledge of crop insurance risk management and the many different crop insurance offerings available to work for you!
